This is a Certified PRIMAVERA Product

PRIMAVERA Business Software Solutions attributes this status to vertical solutions developed by Technology Partners of PRIMAVERA BSS, based on the PRIMAVERA horizontal management platform, from which meet a set of predefined requirements for this certification. Granting the status of "Certificate PRIMAVERA Product" complies with several requirements, being assigned to solutions that stand out for their quality, the level of integration with PRIMAVERA applications and the proximity to PRIMAVERA Management System. The overall visual consistency and the sharing of common entities are some examples of this proximity.
